ORDERS: 1-800-523-3353

OFFICE FAX: 610-948-7342

E-Z INFO FAX 610-792-1234

CAUTION!!! - The most important requirement for a successful installation of this, or any, S&W chassis component is that you take your time and use good common sense. Check & recheck all measurements before cutting or welding. If you have any questions, before or during the installation - STOP - and call our tech line at 610-948-7303 and we will gladly explain in more detail any step in the installation.

Please read complete instructions thoroughly before beginning!

Installation Instructions for part # 85-249 Push/Pull Battery Disconnect Mount Kit

Note: Rod is threaded 1/4"-20 on one end to accept Tee handle stud & 1/4"-28 on the other end to accept rod end. Caution should be used to avoid damaging threads by installing parts in wrong ends
